 **SCHWING**

Why Genuine Spare Parts

- SCHWING Genuine spare parts are developed and manufactured to our exact specifications and tested by our quality department - for maximum service life and minimum downtime.
- SCHWING Genuine spare parts are guaranteed to fit, last longer and offer excellent value for money.
- With SCHWING Genuine spare parts, you keep your machine in its “original” condition – for maximum resale value and to protect your critical working capital.

- SCHWING Genuine spare parts optimize the productivity of your machine by meeting our high performance requirements and efficiency standards.
- The guaranteed fit of SCHWING Genuine spare parts is backed by our rigorous quality standards.
- Replacement parts from third-party suppliers are often untested, made from inferior materials and do not work well with our components due to insufficient quality standards. Using inferior parts poses a risk of serious damage to your machine.

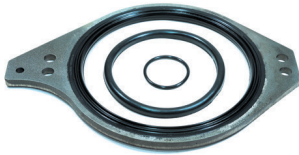

- 6 month SCHWING warranty
- Protection of your investment
- Certified quality assurance
